INVENTION CHALLENGE

Minds Underground

enquiries@mindsunderground.com

IT'S INVENTION TIME!

Produce one side of writing entitled 'The Best Invention in the World'.

What to Think About:

- What does your invention look like?
 - You can also demonstrate this with a picture to work alongside your writing!
- How it is used?
- Are you using any exciting technologies?
- Why it is "the best invention in the world"?

Format:

- You can write about your invention in the form of a short fiction story - if so, think about character, setting etc. Does your story have a beginning, middle and end?
- You can also write a piece of non-fiction - make sure your writing is still very descriptive!

How to Submit:

- If you have included hand-drawn pictures, you can take a photo or scan your side of A4
- Submit via the form on the main Competition page
